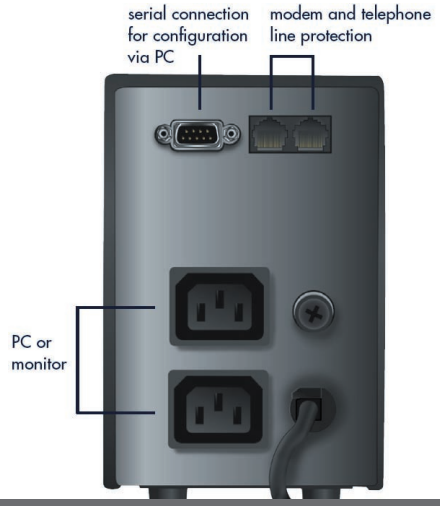
Product code	:	SP-100
Product name	:	UPS 650VA
EAN code	:	8716502004898
Qty. masterpack / carton	:	0/1

Product weight	:	7 kg.
Product dimensions	:	153 (W) x 340 (D) x 100mm (H)
Gift box weight	:	7,5 kg.
Gift box dimensions	:	235 (W) x 412 (D) x 180mm (H)
Carton weight	:	8,5 kg.
Carton dimensions	:	445(W) x 385 (D) x 247mm (H)

The Sitecom VA UPS (Uninterruptable Power Supply) protects your PC and valuable data by supplying battery backup when your power fails. It protects your PC and peripherals against all kinds of electrical disturbances. The automatic voltage regulation (AVR) protects against voltage surges and dips. The built in highpower battery protects against sub-cycle outages and complete blackouts. It can maintain power to your PC or server for up to 20 minutes. It's smart utility prevents data loss and makes sure all running software applications are closed before your system shuts down. The UPS also has a data line protection port that eliminates disturbances carried through telephone, fax, modem and internet lines.



Box content:

- UPS 650VA with management software
- User manual
- Driver CD
- Power cord
- Serial cord

NETWORK

Data sheet: SP-100

System requirements:

- Compatible with all major network operating systems
- CD rom drive

Key features:

- Protect your PC and peripherals against electrical disturbances.

Technical specifications:

- Output Capacity: 650VA/400W
- Input /output voltage: 120V/220V/230V
- AVR function: 120V +/- 10% or 220V +/- 10%
- RJ-45 port & RS-232 port: Yes
- UPS software: UPSilion2000
- Input/output frequency: 50/60Hz
- Waveform: Step wave
- Characteristics: Line Interactive
- LED displays: -left line: upper: buck indicator, lower: boost indicator; middle line: upper: on & test indicator, lower: off indicator; right line: commercial line, battery mode, low voltage indicators
- Battery type: 7Ah x 1 (sealed, lead, acid)
- Back-up time: 15 minutes for 1 x PC
- Battery Recharge Time: 10 hours to 90% capacity
- Transfer time: less than 10 ms
- Operation Temperature: 0 ~ 40 degree C
- Humidity: 20 ~ 90%, Non-condensing

- On the condition of city power supply: (Over-load protection)
  - A. Over load: 105 ~ 110 %, UPS beeps 1 minutes and then turn off automatically.
  - B. Over load: 120%, UPS beeps 10 seconds and then turn off automatically.
- On battery mode: (Zero load: save power and Over-load protection)
  - A. When there is no load for 30 seconds, UPS will turn off automatically
  - B. Over load: 105 ~ 110 %, UPS beeps 1 minute and then turn off automatically.
  - C. Over load: 120%, UPS beeps 10 seconds and then turn off automatically.
